Dinner Event

We warmly invite you to join our Dinner Event on Tuesday, 19 January 2016 at the Städel Museum from 7.00 p.m. onwards. Besides delicious food and drinks, as well as plenty of time for a good chat, you will have the opportunity to join a guided tour. To get to the Städel Museum you can either walk (about 15 minutes) or take the shuttle bus from the Villa Kennedy.

About the Städel Museum

Established in 1815 as a civic foundation by the banker and merchant Johann Friedrich Städel, the Städel Museum is regarded as the oldest and most renowned museum foundation in Germany. The diversity of the collection provides an almost complete overview of 700 years of European art history, from the early fourteenth century across the Renaissance, the Baroque and Modernism right up to the immediate present. Altogether the Städel collection comprises some 3,000 paintings, 600 sculptures, more than 4,000 photographs and more than 100,000 drawings and graphic works.
